Plus Two			<input type="checkbox"/> Kerala <input type="checkbox"/> CBSE <input type="checkbox"/> ICSE															
			<input type="checkbox"/> Humanities <input type="checkbox"/> Science															
			<input type="checkbox"/> Commerce															

(Note : "START" intends this course to be a foundation programme to prepare students for entry into the Civil Services and other emerging careers. These professions require strong skills in communication and outstanding conceptual and analytical abilities. Students from the Humanities/Commerce/Science streams who dream of such careers will find the course particularly useful because of its emphasis on English language learning, general knowledge, logical reasoning, basic maths and personality development).

My Preferred careers : 1. 2. 3.
